A Note From the President

I would like to take this opportunity to thank the chairs, committee members, participants, volunteers and supporters of the recent Sports Festival for its overwhelming success. How I wish we could do this more often, watching all the young generations having a good time and being united with each other. These are the times that we can reach out to them; how important they are to us, not because they are our children, but because we want to instill to them the culture of being a Filipino. I would like to appreciate also the generosity of **Gulf Coast Trophies & Sports Apparel** for donating the trophies for our second & third place winners. Congratulations to all the winners and to all the participants. Just remember that it is not just about winning, it's about how you played the game.

Last July 9th, Azalea and I attended a meeting with the Assistant Secretaries of the Department of Labor from Washington, D.C., with some BP officials, local business owners & a few community leaders at the Pensacola Bay Area Chamber of Commerce. This was an invitation only meeting, but I made Azalea sit in with me since she works for the Pensacola Chamber. We were there to represent not only the Filipino-Americans, but the Asian-Americans with Jun Wei from Tallahassee. It was a very informative discussion from the Department of Labor insuring us that the government is aware of the problems of the Gulf Coast with regards to the oil spill and they are doing their best to help, especially those who are most affected by the situation.

Once again, I hope to see you in our next Fil-Am function and remember that your support is always appreciated.

Thank you and God Bless!

Divina
