A Note From the President

How time flies!!!! We're already in the middle of 2010 and we look forward for the next six months to reach our goal for the first year of this administration. This would not be possible without your support and as your President, I am truly appreciative for all the cooperation you have given us.

Just to inform you, I received a call from the Philippine Consulate in Washington, D.C. We will be coordinating on how to apply for the dual citizenship and all other information with regards to retiring in the Philippines. So for those of you who are interested in this program, please let us know so we can set a date for this particular event.

July is closely approaching for the Sports Festival. Please let us make this event a family and friendly gathering to promote and enhance the camaraderie among the community. I am calling the attention of all players, especially for tennis and golf. We are in need of someone to coordinate these games. Please don't hesitate to call me at 850.292.6009. A portion of these proceeds will go towards the St. Jude Children's Research Hospital.

Our Little Miss Philippines is still in progress and we're searching for girls who are willing to learn to dance, sing and perform. Please get involved.

Thank you so much for all your support and I do hope that you are enjoying each issue of our Newsletter.

God Bless us all and take care!
